Subject: Not An Urgent Message
This is not an urgent message and I am not seeking a response now. However, I would appreciate it if you would ponder what and when our public position should be on the agency's appeals. As you recall, on the earlier bureau appeal there was criticism when we did not let the researchers know "right away." I would appreciate the opportunity to discuss it soon after your return, if the appeals are still an open issue. Thanks.
Body: (Hope all is well with you and the family.)
