Subject: i forgot
to send you a note yesterday, but nothing much to report.Gabe hasn't made it in yet to talk to me. He is tied up with the financial review board hearings. He said he was going to call Jerrie to make an appointment to come see you next week--apparently he has some questions that he would like your input on regarding the SF86. Also, a reminder that I am taking tomorrow off in place of last Friday.Hope the beach is being good to you all! Did you shave your beard?
