**Subject:** Reminder to Steve Tilley of our Concern, re: Missing HSCA SCI document

FYI: while I was out at NARA II yesterday I asked Steve for an update on his efforts to locate the SCI documents from the HSCA Security Classified Files record series (folder 157-JFK, formerly Agency File Number 013214 from the Numbered Files) which were removed from the Security Classified Files and forwarded to NND prior to April 22, 1992. Steve has yet to locate them, but promised to renew his efforts.
