Subject: Odds and Ends from visit to Archives II
While doing other things at Archives II yesterday, I came across a few documents that may or may not be of interest to Dave's Dallas Project efforts (Zapruder, etc.). You both may have seen all this stuff before, but attached to the hardcopy version of this E-Mail are: HSCA 002346 - a memo listing UPI-held Dallas photos, compiled by an HSCA staffer who travelled to NYC, including folder and photo-specific ID numbers. HPSCI (Pike Committee) copies of correspondence between Time, Inc. and the Rockefeller Commission, re: Zapruder frames. HPSCI copy of Rockefeller correspondence with Groden, re: status of the Zapruder copy he had lent them.
