**Subject:** CIA document matters  
I talked with Barry about the two document matters. In the case of 104-10021-10021, the Board voted to protect the digraph and release the rest of the crypt that we discussed yesterday. In the case of 104-10021-10032, Barry needs to see both "brown/yellow" NARA versions in order to make a determination. So, we will have to arrange some time when he can review them.
