**Subject:** Two items relating to Hume/Boswell depositions  
1) REQUIRES FEEDBACK. Kris Wilhelm called me today at Diane Dimkoff's express instruction, re: return of the skull. With the Boswell deposition over, can I simply make arrangements to return it? There was some talk of doing a show-and-tell for ARRB staff before it went back -- I don't know where that is at, but, either way, please let me know if I'll be able to get the skull back to NARA this week. Thanks.2) Reminder: you had me indicate to Andy Purdy that you would be happy to brief him on Humes' and Boswell's depositions after they were completed.
