Subject: ARRB-related reading for jury duty
This is to remind you that I am required to show up at Superior Court for possible jury duty on Monday, March 4. I don't have to be there until 10:30 AM, so I'll be in the office first.Jeremy, if I inferred correctly from your E-mail of yesterday that you do have Season of Inquiry in your possession, is there any chance it I could take it to the courthouse with me on Monday?
