Subject: Fed Reg language
I have asked Phil to draft language for the one FBI document that was reconsidered at last week's meeting.From what I understand in talking to David this morning text is also needed for the following:The IG ReportCIA Station documents from Dec and Jan. 5 meetings that were voted to be reconsideredOne of the CIA appeal documents that was reconsidered and a new vote was taken.Please let me know if any of the above items will not be additional text or if I neglected to list an item that does will be additional text.Assuming the list above is accurate, will you be drafting the text for the CIA items or should I ask Mary or one of her team to draft language?Thanks for all your help.
