Will this be a good date for the courier service???...DaveCALL REPORT Issue # 9Document's Author: Dave Montague/ARRB Date Created: 03/08/96Who initiated the call? Description of the Call Date: 03/08/96Subject: 03/05/96Subject: Tentative Date Of 03/14/96 For Transfer Of FBI FOIA MaterialSummary of the Call: I spoke with Director Marty Barringer today and we have tentatively set 03/14/96 for the transfer date of approximately 37 boxes containing copies of around 90,000 pages of FBI FOIA material. Barringer is very happy to be able to transfer these records in order to assist the efforts of the Review Board. I will call him on 03/12/96 to finalize this activity. On 03/14/96 I will meet a courier at Georgetown University and supervise the transfer. I will return the original Cutler Schematic which they loaned me at that time. \* I am coordinating this activity with Phil, Tracy & David Georgetown University LibrarySpecial Collections DivisionLauinger Library37th & Prospect Street, NWWashington, DC202-687-7452=general number202-687-7444=Special Collections Division
