**Subject:** Metro-Dade sign-off  
Commanders Buchholz (Record Management) and Mendez (Intelligence and Vice) have signed off on releasing all 55 HSCA (Fonzi) records we sent them. Buchholz is going to send me something in writing; as soon as she does, we can put them in a Federal Register notice and have done with them.NOTE: as you'll recall, there were NYC-originated documents in the Metro-Dade collection. The Metro-Dade folks didn't raise the third-agency issue at all, so I am not inclined to seek any additional sign-off from NYC on these 55 records. I will proceed on this basis unless I hear back from you to the contrary.
