**Subject:** Current Addresses for Ed Reed and Floyd Riebe

I have letters for these two autopsy witnesses "on the runway", but have put them in a holding pattern until we can resolve the following:Floyd A. Riebe's address was recently believed to have been: 17021 NW 34th Avenue Opa Locka, Florida 33056 Telephone: (305) 621-3403When I checked this with the info operator, they said they had no such listing (nor any other) for Mr. Riebe in Opa Locka, FLA. I tried the number anyway, hoping to get a forwarding number from the computer, but instead only got an "out of service" recording. HIS ADDRESS PREVIOUS TO FLORIDA WAS IN OKLAHOMA.Edward F. Reed's address was reported to have been: 54 Blake Avenue Philadelphia, PA 19111 Telephone: (215) 663-1889However, when I tried to verify today with information operator, I was told that the only published listing for Edward F. Reed was: 3458 Holyoke Road Philadelphia, PA 19114 Telephone: (215) 677-8568UNFORTUNATELY, THEY ALSO TOLD ME THAT THEY HAVE AN UNPUBLISHED LISTING ALSO FOR AN EDWARD F. REED. My problem is, I think we should try to avoid sending contact letters out to the wrong address if possible. What can you find out about the unlisted Edward F. Reed? I guess I would like you to check and see whether he is Edward "F." Reed or a different Edward Reed. The Edward F. Reed at the autopsy was very young, approx. 20 or so years old in 1963.Right now, I am sorry to say, I don't have an SSN for either man. Good Luck.
