Subject: Another search for you. . .
Our current subject is one Edward J. CoyleMr. Coyle served in the U.S. Army during the early 1960's. He was a Warrant Officer assigned to the 112th MIG in Dallas. I'm guessing he would have been born in the 20's-30's, but that's really a guess. I can't offer any more info than that. Maybe we should start with his service record and work from there. I will be sending you some additional names from the 112th, but Coyle is a high priority.
