**Subject:** HSCA/DOJ Mem. of Understanding, re: retention of records

**Body:** Per Jeremy's request, and with Kevin's always able assistance, I was able to locate in the HSCA Numbered Files a draft Memorandum of Understanding between the HSCA and DOJ which would cover "The Department of Justice (DoJ) and all divisions thereof... [emphasis added]" and which would require DoJ to keep and preserve for thirty years "all materials provided by the DoJ and examined by the Committee." I have also come across RIFs from some of the more obscure HSCA record series (Notes & Roll Call Records Taken by Clerk at Hearings and Records Created or Received After the Committee's Expiration) which suggest the existence in the JFK Collection of a final or signed version of the above draft. These other record series are located either at Archives I or II. I will try and secure a copy of a final version if it exists.
