**Subject:** Confirmation For 03/19/96 Transfer Of FBI FOIA Material From Georgetown University

CALL REPORT Issue # 9Document's Author: Dave Montague/ARRB Date Created: 03/18/96Who initiated the call? Description of the Call Date: 03/18/96Subject: Confirmation For 03/19/96 Transfer Of FBI FOIA Material From Georgetown UniversitySummary of the Call: I spoke with Director Marty Barringer today and we confirmed 9 a.m. 03/19/96 for the transfer date of approximately 37 boxes containing copies of around 90,000 pages of FBI FOIA material. Barringer is very happy to be able to transfer these records in order to assist the efforts of the Review Board. He suggests that the courier advise the guard at the parking area and ask for a pass to park in the loading dock of the library in order to pick up materials from the Special Collections section of the Lauinger Library. The courier should have no problem gaining access to this area. The Special Collections area is on the 5th floor of the Lauinger Library. I can either meet the courier in the dock area or within the Special Collections area.I will provide Barringer with a receipt for the material and return the original Cutler Schematic which they loaned me at that time. \* I am coordinating this activity with Phil, Tracy & David Georgetown University LibrarySpecial Collections DivisionLauinger Library37th & Prospect Street, NWWashington, DC202-687-7452=general number202-687-7444=Special Collections Division
