Subject: Meeting at Archives
Given the volume of films we want to view (including the ones I pointed out from the list which are identified as from local Dallas or Fort Worth t.v. stations), is our appointment at 3:00 p.m. on Thursday going to provide us with enough time to view what we have asked to see? Also, in that vain, please ensure that they know specifically what we are asking to view, so there is no question when we get out there. If you have any question, please let me know. Please advise me of the status of things. Thanks.
