**Subject:** photographic expert  
Carol Keeley at the FBI has spoken with Bill Wempe ,324-4242, about our request for suggestions as to an independent photographic expert. Wempe, who will not be back in his office until early next week, will be expecting a call from us (whoever calls should mention my name, as that is the one Carol gave to Wempe). Carol said that Wempe characterized this field as a very narrow one. He definitely does not believe we should consult Cecil Kirk.
