Subject: Possible follow-up letter to Mr. Squires of IRS

Laura, could you take Joe's draft and add some relevant points about our subsequent discussion. Could you also put a short agency contact note, particularly his point that IRS had no objection to be included within the Act.To: Jeremy Gunn/ARRBcc: From: Joseph Freeman/ARRB Date: 03/20/96 02:22:13 PMSubject: Possible follow-up letter to Mr. Squires of IRSThe attached letter thanks Mr. Squires for coming by, confirms his sign-off on the two HSCA records he cleared, and references that one record is pending. Given that he came over here today to avoid an exchange of letters, we may not wish to send this. On the other hand, if you want to have something on record relative to the results of his visit, you may wish to. Your call.The one record he cleared will go straight to the Consent database for eventual transmission to NARA II. The other contains a SSN and will go on review track as a green item for the next Board meeting (redacting the SSN).
