**Subject:** Visit To NARA To Review Dallas Area Films...  
I spoke with Branch Chief David Kepley who apologized for Les not getting back to me this morning; he was delayed getting into the office today...They do not have all of the material ready for us yet so I told him we want to postpone until tentatively Monday so we can see it all at one time...Kepley will have Les call to advise how much time we should allot for this process...Dave
