Subject: New Orleans Project
Hi. Jeremy asked me today whether I would mind if Chris and Manuel took over the Clay Shaw portion of the New Orleans project -- to the extent that it would involve things that Shaw was doing in New Orleans (and not Garrison/criminal records). I obviously said "yes -- please -- of course" (do they want any more?) Anyway -- I thought I would tell you so that you wouldn't be making large tables of references to Clay Shaw records in New Orleans. Bye bye.
