Subject: Your reviews of Church Committee records at NARA II

Jeremy was good enough to direct me to a file containing a scattering of memos from the four of you, re: your examination of Church Committee records at NARA II last Spring. I've copied them all for use in my Church Committee-related endeavors, but I wonder if the file contained all the work you did? Could you each stop by, at your convenience, to see what I've dredged up of your work, and let me know if there is more you can direct me to? I'm primarily interested in your synopses [synopsises? synopsis?...you be the judge!] of the records at NARA II, as opposed to summaries of the Committee's report(s). Muchas gracias, amigos!
