**Subject:** Burkley-Can You Locate N.O.K.?  
George G. Burkley, Jr.....former Rear Admiral, U.S. Navy Medical Corps...he died recently (1991 I think) at the age of 88, after serving as physician to Presidents Kennedy and Johnson. His descendants (which is the object of the ARRB search) are: 4 children--Isabel Starling of Elkview, W.Va.; Nancy Denlea of Los Angeles; George W. Burkley of Volcano, Hawaii; and Richard M. Burkley of Boulder, Colorado. Sister--Teresa Wunderlich of Miami.Dave, I believe the goal is to contact his descendants and ask if they have any of his papers (diaries, letters, professional papers, etc.). If you can help with locations, Tim and I will write letters. To: Douglas Horne/ARRBcc: From: Tim Wray/ARRB Date: 03/22/96 08:55:52 AMSubject: BurkleyAlong with Dox and Terrell, let's ask Dave Montague to track down Admiral Burkley's next-of-kin so we can also correspond with them to see if they have anything of interest. Would you please provide the "best information" on who/where they might be to Dave?
