Subject: Duplicate HSCA/DoJ record
On 3/19 we sent DoJ a letter, re: 3 NARA-referred HSCA records from the Numbered Files which, as it turns out, are already open in the Letters Sent Regarding Information, Access and Compliance record series. We indicated the Board's intention to open the Numbered Files duplicates at our next meeting. DoJ wrote back on 3/26 (good turnaround!) indicating no objection, given that the documents were already open in another record series, but indicated that one of the documents might be of interest to the FBI and that we might wish to consult the Bureau before releasing the duplicate. I've attached the correspondence and the record in question to the hardcopy of this e-mail. I've assured Phil I wouldn't put this record on any consent agenda for the Board until you/he have a chance to run it by the FBI.
