Subject: Sources of records in Miami area; potential public hearing witnesses
 Dave,Michelle has recalled that Ann might have talked to Gaeton Fonzi while she was on one of her Miami trips. Since we are preparing some possible questions for Mr. Fonzi, we were wondering if you had any idea where Ann's notes and/or transcripts are kept. If she did talk to him, and if those notes exist, we would really like to take a look at them. Thanks.Here it is along with stuff on Veciana...Dave MISCELLANEOUS ACTIVITY Issue # 50Document's Author: Dave Montague/ARRB Date Created: 02/09/96Description of Activity Activity Date: 02/09/96Subject: Re: Antonio VecianaDescription of the Activity: I verified the address that Noelle used to send him a letter as a current one.
