Subject: NYPD records
I spoke with Sgt. Bill Mantusiak in the Legal Dept. of NYPD, re: a single NARA-referred, NYPD-originated HSCA record. He indicated that the Dept. had no objection to its release (into the consent database it goes). More relevant to you, he indicated he was still working on Anne's request of last year: ie, retrieving NYPD OC files looked at by HSCA. He says he has some of them collected already, but that the bulk of the materials he expects to compile haven't been forwarded to him yet. But he's working on it and it seems as if we'll get the stuff eventually.
