**Subject:** John Stringer Interview  
I just spoke to John Stringer on the telephone, per your direction. He is in receipt of our letter (but said he had been gone for a while).I have set up an interview with him by phone; he has agreed that we will call him between 1-2 P.M. on Monday, April 8th. He volunteered two pieces of information to me (without me asking):- He says Riebe took no photographs whatsoever, except for the shots of the room's audience which was then exposed to light.-He said "they had me talk to the Urologist a long time ago, back when we weren't supposed to talk to anybody, but I can't remember his name. " He asked me if I knew about that, and I said no. I asked him if the name might have been "Lattimer," and he said, "yes, it was." END
