Subject: Specter interview I gave you a copy of...
At the time, I thought this might be Fonzi's interview, circa '65. It isn't; it's a U.S. News and World Report interview from 1966.Perhaps we should ask Fonzi for a copy of his article (as well as about the tapes) if we don't have it by the time we speak with him.In the meantime, see my related e-mail to Eric, re: a search at LOC.
