Subject: Confirmation On The Late Elsie Dorman's Son James Dorman Re: Her Film

Tom...Here is the address we discussed...DaveCALL REPORT Issue # 9Who initiated the call? Date: 04/03/96Subject: Confirmation On The Late Elsie Dorman's Son James Dorman Re: Her FilmSummary of the Call: I spoke with James Hubert Dorman's wife Maxine today and confirmed they are the relatives of the late Elsie Dorman who made a film of the assassination. Elsie sent the film to James in California when she became very ill years ago. The family moved to the Houston area to buy a retirement home about 1 year ago. I explained the nature of the Review Board to Maxine since James was not home at the time. She agrees with our role and seemed very positive about dealing with the Review Board re: what she called "such an important film". She believes James still has the film, although she remembers someone from a museum in Dallas dealing with the family re: the film. I explained that there is no affiliation between the Review Board and the Sixth Floor Museum. Maxine doesn't know if the Sixth Floor Museum had access to it, but will discuss it with James. I told Maxine that an info packet and letter will be sent to her now that their location has been confirmed. I verified her information and thanked her for her time. The information is: James and Maxine Dorman 172 April Waters West Montgomery, TX 77356 409-447-4965 * James is 63 years of age; DOB=[Screened by: NARA RD-F on October 24, 2016 according to the John F.
