Subject: Draft letter for your review, re: U.S. Customs Service/HSCA records
Since you've already returned my DOS/Nina Noring letter, it occurred to me that you may have lost this one, or I may have fouled up in the original sending of it. In either case, it remains outstanding. If you remember editing this one already, let me know. Many thanks either way.

As David did not process this prior to your return, I presume I should place it in your electronic "IN" basket instead! Lucky you!
