Subject: Review Track Stuff
1. Is it okay for me to copy the documents from the March meeting into Archive? Is there a view in Archive that shows the documents By Box? (Bob would like to get a jump on his Final Determination Forms.)2. Could you adjust the Refresh this List button on the RIF form to include the new Board Reason (BR) that now shows up on the RIF. The one that shows up for each individual postponement. Phil deleted the board reason in a postponement detail, hit the Refresh this list button, and the board reason still shows up on the RIF.Thank you for all your assistance. See you Thursday.
