**Subject:** Boston trip

There are no hotels with govt. rates the week of June 10-14. I was able to get rooms at the Boston Marriott Copley Place for the week of June 17-21. The hotel has also agreed to direct bill us for the room and tax charges.As I mentioned to you Jeremy, the sooner the decision on who will be going on this trip is made the better. Some of the staff may need to get travel advances for a trip of this length and we will need some time to process these.Let me know what else you need on this.
