**Subject:** Two Letters En Route

Please pursue these leads as appropriate. To: Jeremy\_Gunn @ jfk-arrb.gov (Jeremy Gunn) @ Internetcc: (bcc: Jeremy Gunn/ARRB) From: 72303.2702 @ CompuServe.COM ("David S. Lifton") @ Internet @ WORLDCOM Date: 04/10/96 06:12:44 PM CDT Subject: Two Letters En Route  
Jeremy: Just wanted to tell you that yesterday, I sent (Priority Mail) an envelope containing two letters dated April 9, and which I designated "Letter #1" and "Letter #2". They dealt with two related matters, each of which (as I recall) were part of my presentation at the 4/95 expert's conference.  
#1. The Gawler's business documents. I provided ARRB with my copies, and called attention to the statement, in those documents, (apparently in Hagan's hand) that the body arrived in Washington in a "metal shipping casket." I hope this statement can be pursued under oath.  
#2. A 1965 letter from Congressman (and former Mayor) Earl Cabell to the Justice Department, calling for the destruction of the Dallas casket---plus internal Justice Dept. documents rejecting this request. In this instance, I request that ARRB treat the Dallas casket as an assassination record, locate it, and see that it is preserved. I hope both these items are acted on during the life of ARRB.  
Sincerely, David P.S. The next item I'm assembling are my Capt. Osborne transcripts, plus the letter Osborne wrote to a researcher stating that he removed the brain.  
PPS Please \*do\* send me your home address so that I might correspond with you privately, as per the message you left on my answering machine last Sunday. Also, I'm very pleased that ARRB wants the Best Evidence filmed interviews. I transcribed your message about the different possible ways we might proceed, will show it to an atty. friend of mine, and will be following up on that.
