**Subject:** Requests from Barry  
Yesterday Barry showed me two documents that were subjects of recent Board action. One involves Drew Pearson the other involves a name where the last name has been released but the first name might be protected.Doc 1: I think we need to take the Pearson document to the Board and explain the problem. I think Barry's proposed solution makes sense and that we should renotece the record.Doc 2: I think that the name should go on the "one year" list.Barry can elaborate on these.
