Subject: Please do Monday Night

1. Please adjust the Red Board Review Form to be just a Board Review Form. 2. Please sort the RIF column in the individual voting machines BOX ID view. I did it for today, but I do not know what it uses as a template. Could you please edit the template, so it will stay this way? Thanks. 3. Please adjust the Green Consent Agenda so I can print it out for a group of documents in a box. Currently, it is tied to a meeting date, which we do not give box documents until after the meeting. Thanks. 4. Can you make a view (leave me an e-mail of the name) that will show Mary what date she marked each document "Status 4: Ready for Board Review" in the By Meeting\Status 4: Ready for Board Review" view? I think that is it. I'll see you Thursday.
