Subject: Idea for lunchtime viewing (next week after Board leaves)
What's up with this man???...Is it still a go???...Inquiring minds want to know...Dave :-)

Subject: Idea for lunchtime viewing (next week after Board leaves)
Category: I think it might be a good idea to have a group viewing of 2001: A Space Odyssey. It might be fun to see, especially for those unfortunate souls in the office who've never been familiar with the adventures of Dave Bowman, Frank Poole, and HAL-9000. It would have to be spread over two days, but-- what do you think? Anyone interested?
