Subject: A reminder

Body: Just a reminder to look at Henry's 13a documents, if they were the CIA update ones you might want to replace them with Bills. If not then they are fine.I updated the template for the RIF sorting, added a form called Board Review Form for Presentation docs. in the RT. I also added under consent agenda in the RT a form called By boxid. You need to be on one of the documents in the box you want to create an agenda for then just compose it.I modified the Status 4: view to try and address Marys' question.Good luck today.
