Subject: Thank You Letter...

It was a pleasure to meet you last week while obtaining documentation concerning the doctoral program in Public Policy. Thank you for providing me with material to use along with additional information I've acquired about the program. Per your suggestion, I read the School of Public Policy catalog and am specifically interested in the area of Social Policy. Based on my research, I still feel that Dr. Reuter is my best candidate for a possible sponsor into the program. My DEA background dealt with the very area of policy work (regulated controlled substances) which he completed for the agency. I will contact Dr. Reuter to arrange a meeting so we can discuss my educational/career goals, white-collar criminal justice background and my current JFK assassination work relating to policy issues. As I hopefully enter the process, I would appreciate being able to ask you additional questions as they may arise. Thank you again for your time and if there is any pertinent information which you feel I should be aware of, please contact me at 301-670-6171. David
