**Subject:** FYI: INS documents  
FYI only/No action required. I bugged Mike Leahy with a call yesterday, which he returned today, re: referred HSCA documents sent to him with our letters of 3/19 and 3/25. Of the 20 documents involved, he orally indicated that he had cleared 19. He'll be sending us a letter confirming same. The one document he declined to clear has substantial FBI equities, so I'll put that one into my "FBI-related HSCA documents for eventual action" file.
