Subject: Friday

As it now stands, I plan to be out of the office all day tomorrow. While I'm gone, I've arranged with Barry for all of you to do various projects at CIA. I'll speak individually to you about these, but as I now envision it, Michelle will continue to look at the CIA-1 response documents as well as the Win Scott files, Chris and Manuel will do Cuba research, and Bob and Dennis will pick up on Michelle's and Manuel's work in overiewing the remaining CIA records. Michelle and Manuel will need to brief Bob and Dennis and what they've already done and perhaps can get them started at CIA. Dennis's clearances have been passed, so there should be no problem there.
