**Subject:** Indiana interns

The students from last year have set their dates for their visit. I have been aware of this for about a week and a half, but events have prevented me from alerting you until now. Sorry. There are six of them coming from May 20-24; five have arranged to stay for the week of May 27-31 (May 27 is Memorial Day, so we will not be in the office.) I have been in e-mail contact with several of the staff who have projects for the students, (such as Joan, Joe, Doug, etc.) and am comfortable that we will have enough for them. If we do not, I can always "give them a day off" to sightsee or whatever. I can write a memo detailing the projects we have in mind if you wish; in any case, I await your input/response. Thank you.
