There are not any documents in the Meeting\Documents open in full by agenda and box.I have left the dates in the following documents (and their postponement details) incorrect for two reasons, 1. None of these documents show up (or the meeting for that matter) in the By Meeting\Fix dates in postponement details view and 2. in case you wanted to use them to test a macro. 104-10005-10232104-10019-10022104-10019-10023104-10020-10003104-10021-10031104-10020-10019104-10020-10050.I guess we can talk more about the documents from this meeting tomorrow. See you then. If I may ask (so I am prepared when you are ready to work with me), what time will I see you tomorrow?Thanks and I look forward to working with you.
