DeliveryPriority: Summary of the Call: I spoke with Les Waffen today re: the box 102A transferred from Steve Tilley on 03/18/96. He acknowledged the thank you letter I sent David Kepley mentioning Waffen's efforts. I stressed the fact that the material re: Alyea is a current issue and that viewing it soon would be helpful. He has placed a priority on tracking down box 102A and having it transferred into a VHS video format so I can view it at his office. He will contact me shortly to advise when it is available for viewing. * I want to inspect the original while at Waffen's office Waffen said I should contact Charlie Mayn re: copy of a Beta format video tape onto VHS. I left a message on Mayn's voice-mail asking him to let me know when he can copy it for me. * I am waiting to hear from Waffen
