**Subject:** Letters received and expected  
FYI. The DoJ letter I was looking for the other day apparently had arrived, as DoJ claimed, on 4/2. It had been filed with the Classified Correspondence in the SCIF. The only other letter I'm expecting imminently is from a Florastine Graham at the U.S. Marshals Service. Again, it relates to referred HSCA documents and has supposedly already been mailed to us. Hope you're feeling better when you read this.
