Subject: letter to Vezeris
Noelle prepared a "final copy" of this letter first thing this morning. I initialed it and put it in your box to sign. I had also given a copy to Phil. Phil has made more changes on it, and the new final copy is awaiting some corrections. It is sitting on Noelle's desk, and she will be able to prepare the final copy when she's off the reception desk at 1 PM. All of which is to say that if Jerrie put the final copy on your desk, don't sign it. That's the wrong copy.
