We're looking through "most likely" reels of microfilm from Pentagon Telecommunications Center, and found approximately 75 documents related to assassination thus far (chiefly condolence and administrative messages, though also about 15 CIA messages and a few related to changes in DEFCON status). Preparing followup letter to James Powell with generic Deed of Gift; hopefully he will agree to turn over original slide photos plus personal documents. Interviews pending (Dr. Saslaw re: Finck; Gawler's morticians, etc.)
