**Subject:** HSCA Record 180-10114-10000  
Eric asked me to try and run this one down for you. On the routing slip for the record, which is still stapled to the RIF in the Numbered Files, there is a notation 018-JFK, which is a reference to a folder now housed in the HSCA Security Classified Files record series. We have this record series on-site, in row 5 of aisle 5A. There is a 018-JFK folder in Box 1 of the Security Classified Files record series which contains a couple large FBI reports, as well as a cover letter from DOJ. This would seem to be what you're looking for. Let me know if you can't find it.
