Subject: Vezeris fax

Body: Jane Vezeris sent us a fax this morning requesting "immediate attention" to one of the records at issue. Phil contacted her and told her you were not here today but that you would be here Monday. She seemed eager to get in touch with you. My suggestion is to direct her attention to Steve Tilley and the Archives. We are not in this loop, and we can not accommodate her wishes. We might also ask Steve for a written confirmation of the status of this record at issue at NARA.. I am sure Jerrie put a copy of her fax in your office.
