Subject: FYI

Body: After Val's departure, some of us will be taking on some of her responsibilities. Just thought you should know I will have more phone time, and I will be Tracy's timesheet back-up. I will be the back-up in her absence if she is out on a "timesheet Friday." If this should ever come up, according to Tracy it can take from one hour or more to complete (depending on how many people are out during that time period.) If we have a mailing/press release on that day, Noelle will be my back-up. Just wanted to keep you informed.....
