**Subject:** Good-bye  
I know that I will see you again, probably lots of times on weekends when Clint and you and Joey and I and whoever else wants to join in go hitting the town; I know that we'll call often and talk to each other by phone. But the ARRB won't be the same without you here every day. I know I'm not alone in this sentiment, but I just wanted you to know that I will miss seeing you every day, and that this place will be a little gloomier without you. Thanks for everything.
