Subject: Call from Bob Clark, ABC News

As you can see from this call sheet, Bob was a little cranky today.CALL REPORTDocument's Author: Tom Samoluk/ARRB Date Created: 05/06/96 The Players Description of the Call Date: 05/06/96Subject: "Solo", Nosenko and Agency Compliance with the JFK ActSummary of the Call:12:00 noon - Bob Clark called to talk about a "new" book by Barron on "Solo." He wondered about the release of relevant documents on "Solo." I told him that the FBI did a "Solo" release last year. He also was wondering about Nosenko documents and why the CIA had not released anything on Nosenko. I said that their focus has been on the Oswald "201" file to date and eventually they would deal with other categories of records. He went on to opine that the CIA and the FBI had not released anything of significance that was really what the Congress wanted to get out. He further indicated that the assignment desk at ABC was getting close to assigning a story on the lack of FBI and CIA compliance since the law was passed 3 1/2 years ago. I said that we would not agree that these agencies were not complying with the Act. I closed by telling him that I would let him know if there was anything I could tell him about additional "Solo" documents or Nosenko documents.
