Laura -Here is the information for the Deed of Gift that we discussed:Donor: Tom AlyeaDescription of Donation: One reel of approximately 1,200 feet of 16 mm film which records events related to the assassination of President Kennedy and the criminal trial of Jack Ruby. In addition, at a later date, Mr. Alyea will complete a description of what is on the film. Restrictions on Donation: NoneReview Board Obligation: The Review Board agreed to provide to Mr. Alyea a 16 mm "positive" copy and a 16 mm "negative" copy of the film.Other Notes:1. The Archives is currently making the copies for Alyea and I will probably send them to him by Monday.2. The written description of the film that Alyea will provide may take him some time to complete. He needs the copies which we are to send to him to do analysis for the description.3. I would like to be the contact person with Alyea because I think he will be most comfortable with maintaining that arrangement.Thanks for your help. Let me know if you need anything else.
